**PROJECT DESCRIPTION**

This project involves the installation of 12' concrete shoulders on the I-90 Rest Area entrance/exit ramps in Lake County.

This project also includes guardrail replacement, installation of underdrains, and removal and replacement of asphalt wearing course on the ramp lanes.

**1997 SPECIFICATIONS**

The standard specifications of the State of Ohio, Department of Transportation, including changes and supplemental specifications listed in the proposal shall govern this improvement.

I hereby approve these plans and declare that the making of this improvement will not require the closing to traffic of the highway and that provisions for the maintenance and safety will be as set forth on plans and estimates.
