

# RECORD OF SURVEYS,

Plat of *Survey*, No. *147*, *Kirtland* Township *9 N*, Range *9 W*

Survey made *May 17 and 18* <sup>1906</sup>~~189~~, at the request of *The County Commissioners*  
 For the purpose of *locating the line of the Mahlon Subst road in*  
*Kirtland Township*

by \_\_\_\_\_ County Surveyor.

### DESCRIPTION.

*Beginning at the intersection of said road with King Street (so called) thence north 48° east, 4225 feet to the lot line between lots 36 and 49 of tract 1; thence north 47° 37' east 2375 feet to the brow of the hill above the Harmon bridge - In all a distance of 6600 feet.*

*The line is located along the general center of the said road as the same has been improved, worked and traveled, and by the general alignment of road fences and of the occupied and cultivated land of adjoining land owners. Said road is marked on the basis of forty (40) feet wide, which width, at nearly all points, is evidently all that has ever been used as road. The same is monumented as shown on plat. No original monuments or marks for said road were found.*

### CALCULATIONS.

Sta.	Course.	Distance.	Latitude.		Departure.		Double Longitude.	Double Areas.		REMARKS.
			North.	South.	East	West.		North.	South.	

I, \_\_\_\_\_ County Surveyor of Lake County, Ohio, do hereby certify, that I have surveyed and subdivided Lot No. \_\_\_\_\_ road in Tract No. 1 and 2 Township of *Kirtland* in accordance with the statutes of Ohio, and the laws of the United States.

Surveyed pursuant to the application of *A. E. Seuborn, for Trustees of Kirtland Twp* *May 18, 1906* A. D. 189  
*J. E. Ward* County Surveyor.
