

# RECORD OF SURVEYS,

Plat of Survey, No. 51, Willoughby, Town 9, Range 10

Survey made May 27<sup>th</sup> 28<sup>th</sup> & 29<sup>th</sup> 1897, at the request of County Commissioners  
 For the purpose of finding the center of vine street & that portion of Lake Road from the intersection of vine St  
 S. westerly to the county line - object that the Cleveland Painesville and eastern electric R.R Co may lay  
 the track so the inner rail will be (12) twelve feet from the center of the highway  
 Frank M. Barker County Surveyor.

Surveyor's Report to County Commissioners **DESCRIPTION.**

To the Honorable Board of County Commissioners  
 In obedience to an order dated May 24<sup>th</sup> 1897 - I proceeded on the 27<sup>th</sup> day of May 1897 with the  
 surveyors to survey locate and mark the center of vine street and the Lake Road from the  
 intersection of vine street to the county line in Willoughby Township  
 Beginning in the center of Vine Street in the village of Willoughby at the center and intersection of  
 Vine Street. Thence along the center of vine street N 86 1/2° W 5448 feet to the west line of Willoughby  
 village. we marked this point by driving a piece of gas pipe. Thence N 87° W 3552 feet to a point we marked  
 with a piece of gas pipe driven in the center of the now traveled road. Thence N 86 3/4° W 3000 feet  
 to what is known as the Gore line where we found a stone monument marking said Gore line  
 and 18 feet North of the center of the road as it is now worked & traveled. Thence N 86 1/2° W 5788 feet  
 to the center of the Lake road. where we drove a piece of gas pipe to mark the intersection of  
 the two roads. Thence S 40° W along the center of the Lake road 3100 feet to an angle which  
 we marked by a gas pipe stake driven in the center of said road. - Thence S 56° W 331 feet  
 which point we marked with a piece of gas pipe driven in the center of the road. Thence  
 S 34° W 995 feet to an angle marked with a gas pipe stake. Thence S 39 1/2° W 1556 feet to an  
 angle where we drove a piece of gas pipe to mark the center of said road. Thence S 53 1/4° W  
 1956 feet to an angle marked with a piece of gas pipe. Thence S 66 1/2° W 566 feet to the County  
 line dividing Lake & Cuyahoga Counties & marked with a piece of gas pipe driven in the  
 County line & in the center of the road. at 5280 feet from Vine Street & 10550 feet & 15840 feet  
 and 31120 feet we drove gas pipe stakes marking each mile as is shown on plat.

**CALCULATIONS.**

| Sta. | Course. | Distance. | Latitude. |       | Departure. |       | Double<br>Longitude. | Double Areas |        | REMARKS. |
|------|---------|-----------|-----------|-------|------------|-------|----------------------|--------------|--------|----------|
|      |         |           | North.    | South | East.      | West. |                      | North.       | South. |          |
|      |         |           |           |       |            |       |                      |              |        |          |

I, Frank M. Barker County Surveyor of Lake County, Ohio, do hereby certify, that I have surveyed and subdivided Lot. No.
