Brief History of Kirtland High School

Kirtland High School was organized September, 1896. Its first Principal was P. E. Ward, a graduate of Ohio State University. It was at first organized with a three year course; its first graduating class included Robert Sanborn, Clive Thompson and Ezra Thompson. The members of the Board of Education at the time of organization were F. H. Morse, Charles Randall, G. D. Smith, Floyd Allen, Frank Millard, Grant Cowles and E. H. Woodard.

The new building was erected in 1899. In January 1900 the school was moved into it and one year more was added to the course.
