NOTE:—  
 Stone monuments were found at all points marked on the plat thus "Stone"  
 1-inch galvanized iron pipe stakes were set at all points marked thus "Stake"  
 C.P. & E. RR. track indicated thus ————  
 B. & O. R. R. track indicated thus ————  
 Bearings are given to the Fairport Meridian as indicated on the plat of Fairport streets as recorded in Lake County Records of Plats, Volume B, page 23.  
 All river lines were surveyed along the edge of the river as indicated on the map and the measurements and bearings were then reduced to the center of the river, the width of the river at each point having been obtained by a stadia reading taken on the bisecting line of the angle at that point.  
 The area of the several parcels into which the territory is divided by streets and other convenient lines of division is given on the map near the center of each parcel.  
 The total area = 168.62 Acres.
